Re: **2010 Concrete Road Slab Replacement Program – Flyer Update Notice**  
**City File #E10-002 – Section 30**

Dear Resident:

The City of Rochester Hills is continuing to perform selective concrete slab replacement within your area. Included in this program is the replacement of the Technology Drive boulevard entrance at Auburn Road. Due to the location of this work at a signalized boulevard intersection, it is necessary to close the entrance lanes to traffic. ***Beginning Monday, August 30, 2010 Technology Drive will be accessible to outbound traffic only. All traffic must enter by way of Bond Street. This work will last approximately two to three weeks, depending on weather conditions.***

The following information may be of assistance:

### Contacts

- **Contractor:** Hard Rock Concrete, 38146 Abruzzi, Westland MI, 48185 (734) 641-3333.
- **Construction Engineers:** Project inspection and coordination are to be provided by the City of Rochester Hills. The City's DPS Department can be reached at (248) 656-4685, or by email at [dps@rochesterhills.org](mailto:dps@rochesterhills.org), or visit the City's website at [www.rochesterhills.org](http://www.rochesterhills.org).
- **24-Hour Emergencies:** Emergency or dangerous field conditions discovered after normal working hours should be directed to our 24-hour Communication Center at (248) 656-4710.

***Your patience and understanding during this construction project is very much appreciated.***

Sincerely,

  
Paul G. Shumajko, P.E., PTOE *kyo*

Transportation Engineer
